CapitalValue Advisors represents Depasquale Staffing Services in its Sale to an Affiliate of Nesco Resource

DENVER – CapitalValue Advisors is pleased to announce the acquisition of DePasquale Staffing Services, of Williamsport, PA, by an affiliate of Nesco Resource. CapitalValue Advisors served as the exclusive financial advisor to DePasquale Staffing Services. "DePasquale Staffing has a rich history as a market leader in a variety of staffing segments in central Pennsylvania. We are excited for this business transition and continued success of the company as a part of Nesco Resource" said Zack Gibson, Sr. Associate for CapitalValue Advisors.

DePasquale Staffing Services has provided professional employment opportunities through career placement and temporary staffing services since the business was founded in 1969. The firm is the longest established independent staffing service firm in its area and continually sets standards for experience and professionalism. "We were introduced to CapitalValue through several referrals from trusted business associates – this introduction grew into an extremely fruitful relationship which resulted in the successful sale of our business. We do not believe that this mutually beneficial transaction would have occurred without their highly professional, creative and most beneficial step-by-step unique processes. We will now join the ranks of the many highly satisfied former clients who are delighted to refer CapitalValue Advisors to their friends and associates," noted Peter and Ro DePasquale, founders of DePasquale staffing.

Nesco Resource is currently ranked #52 overall in the Staffing Industry Analysts 2011 rankings of the Top USA Temporary Staffing firms, and holds a #16 national market position within the Engineering staffing niche. The acquisition of DePasquale Staffing Services is the 4th such transaction completed in 2011 by Nesco Resource. "DePasquale Staffing has a long-standing reputation for providing quality service to their dedicated clients, and Nesco Resource is excited to welcome them into our growing organization", stated Tim McPherson, the President and COO of Nesco Resource. "The City of Williamsport and the surrounding Lycoming County area show great promise for continued growth with the expanding job market throughout the region."

"It was a pleasure to find an acquirer with similar corporate culture and spirit to that of DePasquale Staffing Services. Nesco Resource is a fast-growing leader within the staffing industry, with very strong financial backing, stability and tenure" said Peter DePasquale. "I look forward to seeing our organization and staff members continue to grow as part of a larger company."
